Heroes 3: Horn of the Abyss (HotA)
Version 1.7.0 from 31.12.2023

Changelog 1.7.0 (TXT-Doc, 128 Kb)
The largest update in the history of the project!
The new city is the long-awaited Factory, a campaign dedicated to it, a huge amount of graphics, audio and video, new game mechanics, countless edits, major and minor innovations.

1. Added a new city and faction "Factory", including new heroes, creatures and their external dwellings.
2. A new campaign "Born in Fire" has been added with improved difficulty levels. In it you will have to show all your skills to help establish the Factory in the world of Heroes.

3. Added campaign editor and support for custom campaigns, new backgrounds and region maps for campaigns.
