Missed about MM7 monks with their unarmed and dodge skills?

Wanted to try something new?

Might & Magic VIII
Day of the Destroyer

Create Character

Name: Viain

Class: Dark Knight

Dark Powers
Beyond the page of death all Dark Knights obtain ability to use fearsome abilities that noone can. Instead of all magic spells Dark Knights uses their own blood to cast their "spells". For this bloody skills Dark Powers are often called as "Blood Magic". Dark Powers are very harmful kind of skills, pay attention to it - you can die if use more health points then you got. Dark Knights begin able to cast Slash, then gain a Reaper, Deadly Wounds, and Bloodlust at expert, master and grandmaster rankings.

Normal : Can use Slash
Expert : Can use Reaper
Master : Can use Deadly Wounds
Grand : Can use Bloodlust
