3. Memory: 4 Гб / 6 Гб

4. Video: nVidia GeForce 8800GT or AMD Radeon HD3870 (512MB VRAM with Shader Model 4.0 or higher)
5. Sound Card: DirectX Compatible
6. HDD: 10 Gb

Story

In the wake of the events of Might & Magic® Heroes® VI, the city of Karthal, once a proud colony of the Holy Empire located in the Agyn Peninsula, is on the verge of secession.

The player will control the destinies of four adventurers, as they become entangled in the political machinations and intrigues unfolding in and around Karthal. Various powers, both old and new, are vying for control of the city.

As they grow in power and fame, the adventurers' actions will determine the fate of the Agyn Peninsula, and if they are heroic and diligent, prevent the ghosts of the past from casting a dark shadow upon the region's future.

Key Features

1. Through the Might & Magic traditional and acclaimed first-person turn-based gameplay system, lead your team of four Heroes in their journey!
2. Choose your gender among four different races: Humans, Orcs, Elves, Dwarves, the choice is yours! Each race also boasts three unique classes, each one having their own skills and abilities.
3. Defeat creatures and unique bosses, fulfill challenging quests, level up your group, and earn new powerful artifacts.
4. Classic RPG at its finest!
