Presenting you new MM7 MOD by our chinese brothers adaptated by any language. I have cutted any chinese texts and speech so you will use your original texts and sounds. Also I have deleted already-in-use original MM7 files that alowed me to ZIP so small archive with minimal size. Every changed graphics made by chinese friends were preserved and unchanged. So you can play your own MM7 gane with enhanced graphics.

Might & Magic 7: Chinese MOD (language free)
